# GREY OAK WOOD

Oak Wood has grey and brown undertones with a cooler hue, which makes white oak much more versatile and able to coordinate with most interior designs and other wood floors.

## FEATURES:

- Aesthetic appeal
- 5G Interlocking System
- Time Saving
- Strong Grip

**Height** : 4 Feet  
**Breadth** : 7.71inches  
**Thickness** : 8mm  
**Per Attachable Foam**

# EUROPEAN WOOD

European wood is frequently more uniformly coloured than domestic wood, making it the perfect option for flooring installations that demand a more consistent appearance.

## FEATURES:

- Aesthetic appeal
- 5G Interlocking System
- Time Saving
- Strong Grip

**Height** : 4 Feet  
**Breadth** : 7.71inches  
**Thickness** : 8mm  
**Per Attachable Foam**

# BRAZILIAN WOOD

Brazilian wood flooring is appealing due to its hardness alone since these strong, dense woods make some of the best flooring options. These imported hardwoods are the hardest on the market and have distinctive grain patterns and colours.

## FEATURES:

- Aesthetic appeal
- 5G Interlocking System
- Time Saving
- Strong Grip

**Height** : 4 Feet  
**Breadth** : 7.71inches  
**Thickness** : 8mm  
**Per Attachable Foam**

# WARM CHESTNUT

One of the most beautiful options for flooring surfaces in both home and commercial settings is warm chestnut wooden flooring. Warm Chestnut produces stunning wood flooring with a room-warming effect thanks to its deep light brown and darker cocoa tones.

## FEATURES:

- Aesthetic appeal
- 5G Interlocking System
- Time Saving
- Strong Grip

**Height** : 4 Feet  
**Breadth** : 7.71inches  
**Thickness** : 8mm  
**Per Attachable Foam**

## ESPRESSO WALNUT

In many areas, espresso walnut flooring is a great option. Despite being one of the softest hardwoods, it offers durability. Due to its rich splendour, espresso walnut is a popular choice for areas like formal living rooms and dining rooms.

### FEATURES:

- Aesthetic appeal
- 5G Interlocking System
- Time Saving
- Strong Grip

**Height** : 4 Feet  
**Breadth** : 7.71inches  
**Thickness** : 8mm  
**Per Attachable Foam**
